

Facts Sheet

Christmas Placemat

You will Need, Makes Two
45 cm of side Contrast Fabric
25 cm of centre Panel Fabric
10 cm of piping Fabric

Cut out

Side Contrast Fabric One Rectangle 40 cm x 55cm

Centre Panel Fabric One Rectangle 23 cm x 55cm

Piping cut two strips 5cm x 55cm

- Press piping strips in half
- Sandwich piping between the two lengthways rectangles, with right sides together. Sew with the edge of the fabric against the edge of the foot.
- Repeat with other side forming a tube
- Turn through to right side and press
- Now fold in half lengthways with piping together and press a crease along centre edge for guidance
- Stitch each end (reverse at the start and finish of seam).
- Open ends flat matching the seam with the centre crease
- Measure down 7cm from fold and draw a stitching line.
- Stitch, stitching line and cut of excess fabric
- Turn ends through and press
- Repeat all steps for second placemat
