Hi,

Thank you for your Booking, this is such a great way to get started on your sewing journey.

Thank you for Pattern And Design lesson, with Fee from My Sewing Club.

### What you will learn

You will love learning the secrets to creating your own designs. There is no sewing in this workshop, it's all about pattern manipulation. Learning how to change a basic block into any design you would like. To make the most of your workshop, plan to have some time for a little homework each week, that way we will get through more in class and it's a great way to reinforce what we learn in each lesson.

### When

The workshop is held over three Lessons

### Where its held

39 Yarraowee Dr,  
Nerang - look out for the sewing machine letterbox

### What to bring

You just need to bring an A4 Plastic sleeve folder for your notes, Lead pencils, rubber, ruler, Glue stick and paper scissors

I have booked you in and I am looking forward to creating with you.

You will love how much fun it is to create your own designs.

**Cheers Fee, 0479111877**

**Here are your booking details**

**{all\_fields}**

I am looking forward to sewing with you.

Cheers Fee
